Instructions for Completing a Development Application

Created on 2/06/2014

Each item number below corresponds with the item numbers on the attached Application Form.

1. Enter the names of the person or organization applying for the development and the appropriate contact information.
2. You may wish to have an agent (family member, realtor, attorney, consultant) act on your behalf regarding the application. **Only the listed applicant and agent will receive copies of Commission letters.**
3. Enter the names of all current property owners and their appropriate contact information. If there are different property owners for separate lots, please use the supplemental information section to identify the owners and appropriate contact information for each lot.
4. Identify all lots that comprise the property subject of the application. If necessary, please use the supplemental information section to identify each block/lot subject of the application.
5. Indicate whether there are any easements or deed restrictions affecting the property.
6. Identify the existing and proposed drinking water source.
7. Identify the existing and proposed wastewater treatment source.
8. Identify all existing uses (residential, agricultural, forestry, mining, commercial, etc.) and development (buildings, structures, parking areas, storage areas, etc.) on the property. If there is no development on the property, write "vacant." For residential uses, please note the existing number of dwelling units and/or lots. For commercial/industrial uses, please note the square footage of existing buildings.
9. Describe all proposed uses and development on the property. For residential uses, please note the proposed number of dwelling units and/or lots. For commercial/industrial uses, please note the square footage of proposed buildings.
10. To determine the appropriate application fee, please check the appropriate application type and complete any information identified under "additional information."
11. If applicable, to determine the appropriate application fee, please check whether any special circumstances apply to this application.
12. Identify the total application fee required. If applicable, please also submit a signed and sealed statement from a licensed architect/engineer or a sworn, notarized statement from a qualified individual as to the estimated construction costs for the proposed development.

Signature:

The applicant and all property owner(s) must sign the application or provide separate written authorization bearing their signature. If an individual signs the application form on the property owner's behalf, please provide a written explanation indicating how he/she is authorized to act on behalf of the property owner(s). Please also attach documentation demonstrating that he/she is authorized to act on behalf of the property owner.

Completed application forms should be signed & mailed to:

New Jersey Pinelands Commission
PO Box 359
15C Springfield Rd
New Lisbon, NJ 08064

Submission:

Alternatively, forms and information consisting of letter/legal sized documents and electronically signed forms may be emailed to AppInfo@njpines.state.nj.us or faxed to 609-894-7331. Large reports, plans, checks, and items that have a manually applied seal must still be submitted as hard copies.

Additional Information:

Within 30 days of receipt of any information, the Commission will determine whether the application is complete or if additional information is required to complete the application. Most applications to the Commission typically require additional information besides that provided on the application form. Examples of such information include a site plan, soil boring and wetlands mapping. The Commission staff will advise you of any further information that will be required to complete an application.

A list of activities that do not require an application to the Commission can be viewed online at www.nj.gov/pinelands/infor/fact/No_Application.pdf

Additional information, including our regulations, can be viewed online at www.nj.gov/pinelands.

For assistance with completing the application form or determining the appropriate application fee, contact our Regulatory Programs staff at (609) 894-7300 or at helplink@njpines.state.nj.us
