Mayor and Committee agreed to postpone the Budget Hearing until June 12, 2018 at 7:00 PM.

**7. REPORTS**

**Engineer** – Worked on the form for the Flood Zone Determination. The pipe was replaced on the Lee Brother’s property. I think we need a resolution authorizing the work, so it’s on the record.

**Solicitor** – I have nothing this evening.

**CFO** – I have nothing this evening.

**Township Clerk** – Day to Day operations of the Clerk Office.

**Code Enforcement** – As Submitted

**Board of Health & OEM** - As submitted

**Committee:**

**Committeeman Cavileer** – No complaints on the trash or recycling. The Planning Board meeting was cancelled. All limbs have been taken care of along the roads. Received a complaint at the end of Henderson Avenue; tree was leaning into roadway. Larry Priest cut down the tree. I’ve given the Engineer my priorities for projects. I can’t thank the Squad and friends enough for helping me during my time of need.

**Deputy Mayor James** – I got together with Barry with regards to the project list. While driving around the Township; residents are piling construction debris at the curb. Our trash hauler doesn’t pick up this.

**Mayor Lewis** – I attended the Mayor’s Conference in Atlantic City.

**8. PUBLIC COMMENT**                      (Please state your name & address for the record)

Members of the public are invited to submit comments during the public comment portion of this meeting. The Committee, pursuant to the Open Public Meetings Act, will not publicly discuss personnel matters and may choose not to respond to comments made by members of the public during this portion of the meeting; however, the Committee will give all comments appropriate consideration and will refer all individual complaints to the Township Administrator or appropriate Township Representative for resolution. Each citizen will be allotted up to three (3)

minutes to speak, in order to allow everyone an opportunity to express their opinions or concerns.

Mike Peranteau – Charles Avenue – With regards to Cavileer Lane, the Township vacated it. Does the Township put markers on the property?

Engineer Dixon – Normally, no. The road becomes half and half with the property owners.

Solicitor Coleman – You should have gotten a copy of the ordinance and it should have been recorded at the County.

Barbara Cavileer – River Road – There will be an Open House at the Ambulance Squad Building on May 19, 2018 from 12:30 – 3:30 PM. A letter should be sent to the County to fix the potholes on Route 652 (River Road in Lower Bank).

Francisco Capella – Route 563 – I’ve gotten more information with regards to Lance Run Road. Ernest DeStefano sold his property to the State and they said there wasn’t a road. I’ve walked from 563 to Bulltown Road on the true Lance Run Road. I’m leaving the Township with my problem as I can’t get a fair shake. This is not a road, but a driveway.

Committeeman Cavileer – I have a map in my office, that says that portion of land is a road and named Green Bank/Bulltown Road. I believe it’s a Township road and I can provide you with a copy of the map.

Mr. Capella – Pineland has a very good description and is more accurate. I’m going to fight for my land, as I’ve fought for my country.

Nick Del Nero – I have a few concerns about what was in the Pine Barrens Tribune. I hope the Mayor and Committee can work this out.

Karen Del Nero – I would like copies of all the minutes from the Committee and Planning Board for 2016-2017 and 2018.

Solicitor Coleman – You will have to file an OPRA request.
