Scheduling service of both Dump Trucks; Last Friday took the pickup truck for inspection; delivered a recycling can to 5 S. Bend Road.

**Mayor James** – Worked on ordinances and met with OEM regarding the emergency services (fire) problems.

**PUBLIC COMMENT** (Please state your name & address for the record)

Mayor James opened the meeting for Public Comment.

Ben Keating, Turtle Creek Road – Graffiti on Turtle Creek Road was covered, but it wasn't done properly. This is an ongoing issue and it needs to be addressed. This has been going on a few years. My mother's name was used and we feel harassed. I want it covered up immediately.

Committeeman Gadd – We thought it was done. I will keep in touch with you.

Mayor James – We are going to take care of it.

Chris Keating – Turtle Creek Road – This writing has been on the road for a year.

Barbara Cavileer – River Road, Lower Bank – The owners of the old Township Hall has done a fantastic job with painting the building.

Sue Dunphey – River Road, Green Bank – It's still crazy at Ski Beach, some are slowing down, and some don't. They are awful and play loud music until 11 pm. My daughter was almost hit by a jet ski. We have seen more patrol, but they need to be there later in the evening. Mullica has done nothing.

Mayor James – Have you gone to a Mullica Township Meeting?

Sue Dunphey – No

Committeeman Gadd – Marine Police has stopped a few jet skis.

Mayor James – We will contact the Marine Police.

Pete DiPasquale – Route 542, Green Bank – The sound levels are high.

Solicitor Coleman – We have no jurisdiction to sign complaints.

Committeeman Gadd – Does Mullica have a nuisance ordinance?

Sue Dunphey – I'll have to check.

Grove Conrad – River Road, Lower Bank – Maybe a member of committee should go to the Mullica meeting with Sue.

Mayor James – I'll go with her.

Mr. Conrad – The Bridge tender should give us an update.

Mayor James – We will try to get some report.

Mr. Conrad – What about the Airbnb?

Mayor James – We are still working on it.

Mr. DiPasquale – Where are we on the Jersey Devil Marina?

Mayor James – They are still working on it. He is trying to get approval without going to the Township Planning Board; he can't do this and DEP has been advised of this.

Mr. DiPasquale – DEP never questioned this?

Mayor James – We do not have a formal application.

Trooper Ryan – We are on top of the graffiti and I'm willing to talk to the Keating's and Committee after the meeting. With regards to Ski Beach, I would call Mullica Police about the noise and also the State Police, if needed.
